Dear Honorable Rebecca B. Connelly,

I am writing today in reference to Case No 20-60860-RBC, Service Dogs by Warren Retrievers, Inc. and the Global Resolution motion that will be before you on June 3, 2021. I strongly object to "The Marianne Settlement Motion" and I strongly believe that Marianne Warren was partnered in the acts of Charles D. Warren. I believed she enabled his actions by holding his money and giving it to him under the false representation as a loan. I strongly believe Marianne Warren should not be awarded any sales proceeds, especially 38% of sale proceeds of the property. There are dozens of families that paid money to Service Dogs by Warren Retrievers, Inc (SDWR) that did not receive a dog as SDWR contract stated they were to provide if they fundraised in full or received a dog that is not suitable as a service dog as the contract stated or received a dog but received no training and lifetime health guarantee as SDWR was to provide as per the contract.

For the above stated reasons I believe that Marianne Warren should not receive any of the proceeds of the sale of the property. History shows that Marianne and Charles D. Warren had engaged in a joint profitable relationship and it could very well mean that the money she receives would end up back with Charles D. Warren. I understand speculation is not something the court should partake, but I believe if the court and Your Honor look at their history you will see that this is very plausible.

Thank you for your time.

Best Regards,
